

FIG. 4

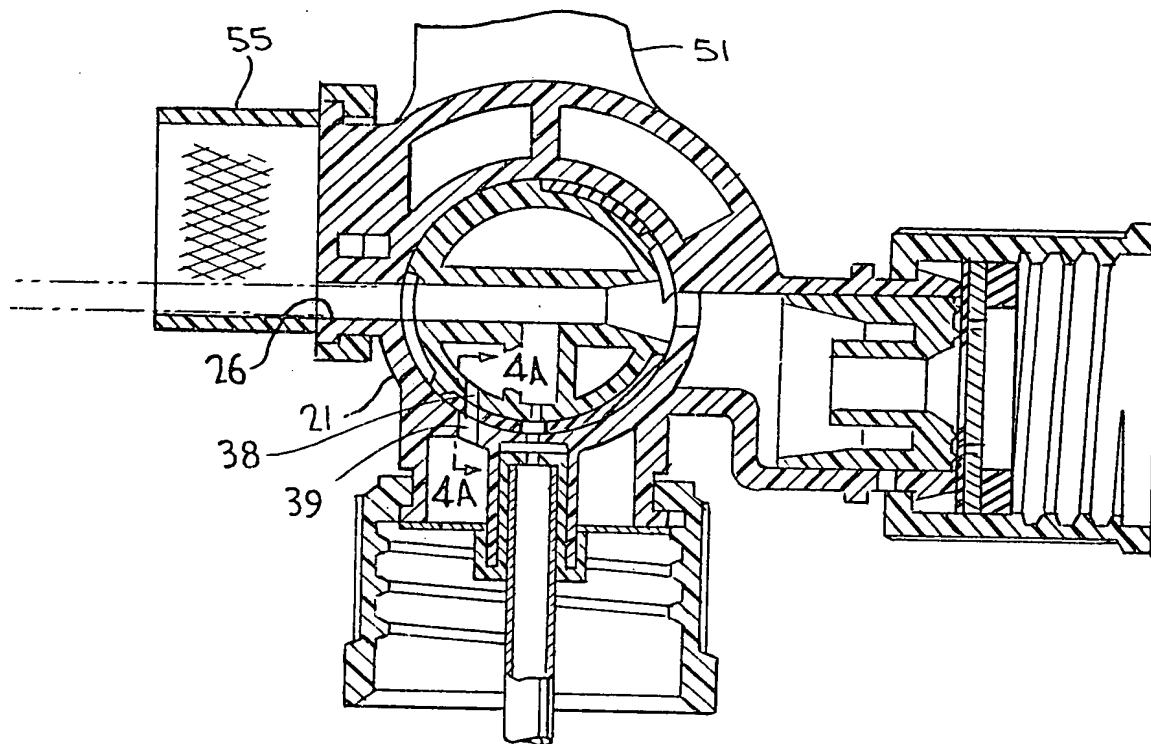

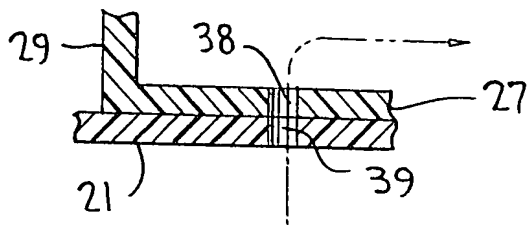

FIG. 4A

This diagram shows the front assembly components in an exploded perspective view. From left to right, the components are: a front housing (61) with a central opening (73) and a flange (75); a front plate (66) with a central cross-shaped feature (67); a front ring (71) with a central opening (68) and a flange (69); and a front bezel (72) with a central opening (74) and a flange (75). A small rectangular component (37) is shown below the front housing.
